

# SCHERLING PHOTOGRAPHY

*Scherling's has been in business since 1919. It is a four generation photography studio. When you decide to use Scherling Photography for your wedding portraits you are hiring experience and people that care about your wedding day.*

*When you come into our studio you will be greeted by a friendly receptionist and sit down with our wedding coordinator to go over the best way to use your time on your special day. Before your wedding day you will also sit down with a photographer and they will help you plan your photo session for your wedding day and the photographs that are going to be taken on your special day.*

*Remember Scherling's has been serving the community for 87 years. All our photographers are award winning photographers. You should expect the best and will receive the best from Scherling's.*

## Payment Plan

*Your Wedding date and time will be reserved upon receiving a \$250 deposit (non-refundable). This deposit assures you that one of our professional photographers will be available to capture the beauty and excitement of your wedding. In addition, we require one half of the package to be paid no later than two months before the wedding. Remaining balance is to be paid before the wedding. These prepayments will be deducted from your wedding order. Upon placing your order, fifty percent of the balance is due, if any, with the remaining balance due when your order is completed.*
